A lot of people have bucket lists, or things they wish to accomplish, see or do before they die. However, do you have a bucket list for Hope? A lot of people have their own "Hope Bucket List." Some have it written out while others have it committed to memory. For all of you who want to start your own bucket list, The Anchor has created a space for you to make one. If you already have one, or already completed most of what you planned before graduating, write it down anyway, and cross things off to see just how much you have accomplished in your time at Hope. If you don't know where to start, here are some staff suggestions of things based off of our own Hope experiences!
